

40TH ANNUAL MEETING
OF THE HISTIOCYTE SOCIETY
SPONSORSHIP PROSPECTUS

GOA, INDIA

NOVEMBER 6-9, 2024

HYBRID MEETING

GOA 2024

The Histiocyte Society is a professional organization with a membership of nearly 250 physicians and scientists from around the world. Its mission is to advance knowledge about histiocytosis and improve outcomes for patients with histiocytic disorders through clinical and basic research and education.

The Society aims to:

- Improve the state of knowledge of the histiocytic disorders and improve the welfare of patients with these disorders,
- Promote, facilitate and carry out research into the histiocytic disorders,
- Provide a forum for health care professionals to effectively communicate concerning these aims and actively facilitate productive dialogue about matters related to the histiocytic disorders,
- Promote education and directly educate physicians, scientists, and other about the histiocytic disorders,
- Advise lay organizations in educational and other matters concerning the histiocytic disorders,
- Collaborate with organizations that have common goals.

Santanu Sen, MD
 Kokilaben Dhirubhai Ambani Hospital
 Mumbai, India

Astrid van Halteren, PhD
 Erasmus Medical Center
 Rotterdam, Netherlands

Kathy Wisniewski
 Histiocyte Society Secretariat's Office
 Pitman, NJ USA

As the President of the Histiocyte Society, an international professional medical organization dedicated to the research and treatment of histiocytic disorders, I invite you to join us as a sponsor of the hybrid 40th Annual Meeting of the Histiocyte Society taking place in Goa, India from November 6-9, 2024. Physicians and scientists from every corner of the globe will gather in person and virtually to share new research and insights into the world of these rare blood disorders.

The Annual Meeting of the Histiocyte Society is a place of groundbreaking discoveries and scientific camaraderie that stretches across seas and continents alike. It is a place of exposure among a unique medical audience devoted to finding better treatments and ultimately, a cure for all histiocytic disorders.

This year, for the first time, as part of our strategic goal to increase our global presence and develop resource-adapted treatment guidelines, we have planned a full education day on November 6, 2024. The goal of this day is to build collaborations with providers from Asia and other countries and ultimately develop guidelines for the evaluation and management of histiocytosis globally, with special focus on low and middle income countries.

We would like to invite you to partner with us on these important meetings. In this packet you'll find for your review our preliminary schedule and event sponsorship information, which includes the benefits associated with each level of sponsorship. As you will see, there is a wide range of sponsorship opportunities available with varying levels of name and logo recognition throughout the meeting. We would also be happy to work with you to create a custom sponsorship package to meet your needs and budget.

Please contact secretariat@histiocytesociety.org to confirm your sponsorship by September 15th, 2024 in order to receive **full** sponsorship benefits. Sponsorships confirmed after September 15th may not be included in the event program that will be distributed for the Annual Meeting.

You can find additional information on our meeting website, www.histiocytesociety.org/Goa-2024. Be sure to check it often for the most up to date information about the meeting including topics and speakers.

Thank you for considering our request. With your support, the physicians and scientists that have made the study and treatment of this disease their life's work will be able to continue these important endeavors and share their new research with the rest of this rare but special community.

Sincerely,
Kim Nichols MD
President, Histiocyte Society
Director, Division of Cancer Predisposition
St. Jude Children's Research Hospital, Memphis, TN USA

SPONSORS

This year, Sponsors of the 40th Annual Meeting of the Histiocyte Society have unique opportunities to choose from in order to maximize visibility among our attendees which consist of hematologists, oncologists, researchers and scientists. Your contribution through sponsorship helps support important educational sessions and attendee activities. Each sponsorship opportunity includes various benefits which are based on the level chosen. If you are interested in becoming a sponsor of the Histiocyte Society Virtual Annual Meeting, or if you have any sponsorship ideas or interests other than what is listed below, please contact Kathy Wisniewski at secretariat@histiocytessociety.org.

EDUCATION DAY PRESENTING SPONSOR - \$10,000 (ONLY ONE AVAILABLE)

For the first time ever we are offering a full education day aimed building collaborations with providers from Asia and other countries and ultimately developing guidelines for the evaluation and management of histiocytosis globally, with special focus on low and middle income countries. In addition to the unparalleled visibility and prestige of being our Education Day Presenting Sponsor, you will also receive all the benefits included in our esteemed Platinum sponsorship package - a comprehensive suite of perks designed to maximize your exposure and impact at our event.

PRELIMINARY PROGRAM (SUBJECT TO CHANGE)

Please note: All times listed are India Standard Time (IST)

EDUCATION DAY - Wednesday, November 6, 2024

- 0830 - 0900 Opening Remarks
- 0900 - 1000 **The Pathology of Histiocytosis**
My Practice: Local Pathology Perspective
Introduction to the Pathologic Work-Up of Histiocytic Disorders
Q&A/Discussion
- 1000 - 1030 Coffee Break
- 1030 - 1200 **ECD, RDD and Malignant Histiocytosis**
My Practice: Local Case Presentations and Perspectives
Diagnosis, Work-Up and Treatments for Pediatric Rare Histiocytosis (JXG, RDD, MH)
Diagnosis, Work-Up and Treatments for Adult Rare Histiocytosis (ECD, RDD, MH)
Q&A/Discussion
- 1200 - 1300 Lunch Break
- 1300 - 1430 **Langerhans Cell Histiocytosis**
My Practice: Local Case Presentations and Perspectives
Diagnosis, Work-Up and Treatments for Pediatric LCH
Diagnosis, Work-Up and Treatments for Adult LCH
Q&A/Discussion
- 1430 - 1600 **Hemophagocytic Lymphohistiocytosis**
My Practice: Local Case Presentations and Perspectives
Diagnosis, Work-Up and Treatments for Pediatric HLH
Diagnosis, Work-Up and Treatments for Adult HLH
Q&A/Discussion
- 1600 - 1630 Coffee Break
- 1630 - 1730 **General Round Table Discussions**
- 1730 - 1800 **Closing Remarks**
- 1900-2100 **Special Collaboration and Networking Reception**

PRELIMINARY PROGRAM (SUBJECT TO CHANGE)

Please note: All times listed are India Standard Time (IST)

Thursday, November 7, 2024

- 0800 - 1000 LCH Disease Discussion Session
- 1000 - 1030 Coffee Break
- 1030 - 1230 HLH Disease and MAS Discussion Session
- 1230 - 1330 Lunch
- 1230 - 1330 Young Investigators & New Members Lunch w/ Executive Board
- 1330 - 1530 Rare Histiocytic Disorders Discussion Session
- 1530 - 1600 Coffee Break
- 1600 - 1700 Education Session - Malignant Histiocytosis - Gaurav Goyal, Jennifer Picarsic

- 1900 - 2100 Welcome Reception

Friday, November 8, 2024

- 0800 - 0815 Opening Ceremonies: Histiocyte Society President, Kim Nichols
- 0815 - 0915 **Guest Speaker** - Adult LCH/Non-LCH Histiocytic Disorders - Navel Daver, Ronald Go
- 0915 - 1045 Scientific Session 1: Oral Presentations
- 1045 - 1115 Coffee Break
- 1115 - 1245 **HLH Symposium: 2^o HLH**
Murali Kaja, Mihai Netea, Zhao Wang
- 1245 - 1345 Lunch
- 1245 - 1345 **Meet the Expert Session:**
HLH - Melissa Hines
- 1345 - 1515 Scientific Session II: Presidential Symposium
- 1515 - 1600 Coffee break
- 1600 - 1700 General Assembly Meeting for Members

- 1900 - 0100 Annual Banquet and Awarding of Scientific Prizes

PRELIMINARY PROGRAM (SUBJECT TO CHANGE)

Please note: All times listed are India Standard Time (IST)

Saturday, November 9, 2024

- 0900-1100 Poster Presentation Session w/ Breakfast
- 1100 - 1300 **LCH Symposium: CNS Neurodegeneration**
Nicole Coufal, Anthony Letai, Elena Sieni
- 1300 - 1400 Lunch
- 1300 - 1400 **Meet the Expert Sessions:**
LCH - Mark Fluchel
Rare Histiocytoses - Gaurav Goyal
- 1400 - 1500 Scientific Session III: Oral Presentations
- 1500 - 1530 Coffee break
- 1530 - 1700 Jon Pritchard Lecture on the Nikolas Symposium
Astrid van Halteren
- 1700 - 1715 Closing Ceremonies
